Do you like to draw, dance, design or DJ?

Are you interested in the arts as a training or career option?

Then apply to join us for eight weeks of creativity and exploration ... meeting inspiring people, learning new skills and getting a flavour of what life in the creative industries might be like.

You will be supported by a team of experienced artists who will help make the most of your interests and talents. You will also get help to find access points to education, training, work experience or employment in areas that match your motivations and skills.

8 week programme starting on the 16th November 2021

Tuesday/Wednesday/Thursday

12pm-3pm

All young people accepted will have their expenses paid as well as the opportunity to gain a qualification.

We encourage applications from care-experienced young people, however, the CREATE programme is open to all young people aged 16-24
